Nissin situation impacted by the Pacific Coast of Tohoku Earthquake

4/15/2011

Nissin Chemical Industry Co., Ltd.

We at Nissin Chemical Industry Co., Ltd. Pray for the souls of the earthquake victims and we would like to express our hearty sympathy with the injured people and evacuee.

We wish the reconstruction as soon as possible.

We are informing our current situation as below.

1. About our plant

Our plants (Echizen city, Fukui prefecture) have no impact by the earthquake.

2. About our products

Most of our products are manufacturing and delivering as usual.

3. About radioactive contamination

Our manufacturing location isn't within 460 km radius of the Fukushima nuclear power plant.

Moreover our suppliers aren't within 100 km radius of the plant.
